

Rous welcome 2010 New Year Baby

Christopher, Sheena and Keira Roup of Rock Port are excited to announce the arrival of Olivia Kate, born on January 4, 2010. Olivia was the first baby born at Community Hospital-Fairfax in the New Year. In celebration of the New Year Baby, Olivia and her family were honored by the hospital with many gifts, including a \$100 savings bond from the Development Council. The Dietary Department gave Olivia's parents a dinner to enjoy at home and the hospital's OB nurses filled a basket with gifts for the newborn, including a knitted hat, diapers, wipes, baby lotion and an engraved spoon. Community Hospital-Fairfax Auxiliary members gave Olivia a teddy bear and a quilt as a welcoming gift. Celebrating the New Year Baby is a long standing tradition at Community Hospital-Fairfax. The CH-F staff congratulates Christopher, Sheena and Keira on their new addition.
